

Hi everyone!

Well, Winter looks to be rearing its head this past week or two, at least here! We are starting to see the heavy dew, the prospect of the first frost and earlier sunsets. The perfect time to test the old motorhome out and head away for a holiday free of the Summer Tourist crowds!

The annual Kiwi Campers fleet retirement is moving along very nicely, we have two of the 6.8m long 6 berth motorhomes left, and four of the 6.0m long 4 berths, so if you are interested, I'd suggest a call today! If you are keeping an eye on the website, you will have noticed our specials are changing over relatively frequently, the uptake this year of motorhome sales has been a record one.

We are constantly changing and evolving the website, so it would pay to have it saved as one of your favourites so you don't miss out on whats happening. All those people who have given me their email address either at an Expo or over the phone or email will receive this letter via email, rather than in hard copy which is nice to see, we're keeping to the Clean Green image! If you would also like to receive this newsletter via email, let me know. There is also a new section coming up on the website sometime this month, Kiwi Parts. I have included a letter from Patrick Broadbent, Manager of Kiwi Parts who explains in more detail what this new service provides.

The rentals are carrying on bravely in the face of the colder weather! The winter season rates begin from the 1st of May so if you are looking for a good deal on a rental, give Patrick and his team a call on 0800 549 444, mention you are a member of the Kiwi Sales Family and you will get a 10% discount. Also, it's a good time to book your "Try before you Buy" option if you are looking at that.

If you have any news, topics for the Experts Corner, questions relating to a vehicle etc, don't be afraid to give me a call!

A little bit of legal stuff to finish with! If you do not wish to be on this mailing list, please send an email to: nathan.brand@kiwisales.co.nz or send a letter to: 115 Hussey Road, Harewood, Christchurch 8051; with your name and address and I will take you off the list. Likewise, if you have a friend who you think would like to hear from us, let me know their name and address and I will include them on the list!

Have a great month and I'll look forward to hearing from some of you in the coming months for you new vehicle purchases!

Kind Regards,
