

Merry Christmas

Seasons Greetings one and all!

So the festive season is once again upon us, it seems to come quicker each and every year! All the staff here at Kiwi Campers and Kiwi Sales would like to take this opportunity to thank everyone for their support and wish everyone a safe and happy holiday break!

This months Experts Corner has gone on an early holiday, nice for some! The Experts Corner will return next month with an article on Solar Panels since we are coming into the Summer Season!

In the world of Sales, we have managed to sell out of the 2002 models across our entire fleet, so a big thank-you and congratulations to all the new members of the Kiwi Sales family! The 2003 model motorhomes will be retiring from rental fleet in April 2008, but as always, we can make special early deliveries for anyone wishing to get their hands on them sooner rather than later! The prices are still as per the current sales brochures, but stay tuned for early 2008 special deals.

Get your diaries out! We're coming closer to another big date in the motorhome calendar! The 2008 New Zealand National Motorhome and Caravan Expo at Claudelands Events Centre in Hamilton is on from the 28th of February to the 2nd of March. The NZMCA are once again holding the rally on the same grounds, and are expecting a huge turnout of over 600!!! If you are considering a late summer break, and want to see what the industry has new and exciting to offer and get some socialising in with other member of the NZMCA, make sure you get in contact with Wayne Francis to book a spot! (09-412-5261 or 0274-939-391) The rally has been a huge success since the first one in 2006 and is a great chance to meet new friends, catch up with old ones and see what people are doing to their motorhomes. Kiwi Sales will be there, we're on an outside corner site just like in Christchurch, it's site number GA47 so pop in and say hi!

Patrick and his rentals team have been working hard and are booked almost solid right through the Christmas holidays, but there are still gaps along the way if you are thinking about a week or two somewhere in the New Year.

Keep your eyes on the Kiwi Sales website, our designer is busy busy busy getting the new one designed and operational, hopefully by the new year! It will have all sorts of fun resources for anyone interested in getting into the motorhome lifestyle or people wanting more information on how to modify their existing motorhome as well as the usual sales guff! The Experts Corner will be posted there too!

Well that's all from me, enjoy the Summer, drive safe and help to spread some Christmas cheer!

Nathan Brand and the Team.
