

Hi everyone and welcome to 2008!

I trust everyone had an enjoyable Christmas and New Years? Hopefully you all got away on holiday at some point and enjoyed the weather!

We are starting to get back into the working year, the kids are getting ready to go back to school (as are the parents!) and we are all looking forward to the year ahead. Those of you who have made the resolution to bite the bullet and get into a motorhome, or trade up to a newer one than you already have, do we have some specials for you! Check out the specials page in this letter.

The Experts Corner has returned this month looking at solar power. This is a great option for anyone who has a motorhome, especially if you like to get away from civilisation and freedom camp. The ability to have your batteries on charge during all sunlight hours means that you don't need to start your van everyday to give a quick trickle charge, which in turn lessens the environmental impact from your exhaust emissions. The price of the solar panels will be paid off in extended battery life. If you would like to talk about prices, either give me a call or contact the solar panel company mentioned in the Experts Corner.

The rentals team are in full swing presently, so if you are looking to get away anytime between now and Easter (21-24 March this year) make sure you get in early to Patrick on 0800 549 444.

Another plug for the 2008 New Zealand National Motorhome and Caravan Expo at Claudelands Events Centre in Hamilton. Remember it is on from the 28<sup>th</sup> of February to the 2<sup>nd</sup> of March 2008. Kiwi Sales will be at outside site GA47.

If you have any news, topics for the Experts Corner, questions relating to a vehicle etc, don't be afraid to give me a call!

A little bit of legal stuff to finish with! If you do not wish to be on this mailing list, please send an email to: [nathan.brand@kiwicampers.co.nz](mailto:nathan.brand@kiwicampers.co.nz) or send a letter to: 115 Hussey Road, Harewood, Christchurch 8051; with your name and address and I will take you off the list. Likewise, if you have a friend who you think would like to hear from us, let me know their name and address and I will include them on the list!

Have a great month and I'll look forward to seeing some of you at the Hamilton Expo in February!

Kind Regards,
