

Hi everyone!

Well, Summer seems to be on the way out, but we still have a couple of weeks to get some holidaying done, and with Easter lurking up on the calendar there's still time for one last break.

The annual Kiwi Campers fleet retirement is almost upon us as well. Each year on April the first, we retire the 4.5 year old motorhomes to the sales fleet. This means we will have a whole host of 2003 vehicles available for sale, so get your name in now to secure your model of choice! We will also have specials popping up from time to time so make sure you keep an eye out on these mailing list letters and also our new website.

Speaking of our new website, I urge you to get online at [www.kiwisales.co.nz](http://www.kiwisales.co.nz) and check out the new features of our website! We have an Events Calendar to show all the rallies, events and must-do's held around the country; a Forum for you to upload photos and images of your motorhome modifications and share the process with everyone or just to ask questions; a Specials page to show vehicles we have on special, or upcoming deals; and you can join our Mailing List online as well, with a choice of either hard copies posted or email versions of the newsletter and Experts Corners. There will also be archives of the previous Experts Corners and newsletters for you to go back to. If you would prefer to receive the newsletters via email, please go online and sign up for that option and I will remove you from the hard copy list.

The rentals have one last push before Winter over the upcoming Easter break and then we can roll into a Winter of maintenance and relaxation! If you are looking for a good deal on a rental, give Patrick and his team a call on 0800 549 444, mention you are a member of the Kiwi Sales Family and you will get a 10% discount. Also, it's a good time to book your "Try before you Buy" option if you are looking at that.

If you have any news, topics for the Experts Corner, questions relating to a vehicle etc, don't be afraid to give me a call!

A little bit of legal stuff to finish with! If you do not wish to be on this mailing list, please send an email to: [nathan.brand@kiwicampers.co.nz](mailto:nathan.brand@kiwicampers.co.nz) or send a letter to: 115 Hussey Road, Harewood, Christchurch 8051; with your name and address and I will take you off the list. Likewise, if you have a friend who you think would like to hear from us, let me know their name and address and I will include them on the list!

Have a great month and I'll look forward to hearing from some of you in the coming months for you new vehicle purchases!

Kind Regards,

A handwritten signature in black ink, appearing to read "N Brand", written over a horizontal line.
