

## PRESS RELEASE

### ➤ Barrons South Island now Freedom RV

Barrons South Island have rebranded to become Freedom RV. Freedom RV, owned by Kate & Neil Whithear, is the longest established motorhome sales business in New Zealand, established in 1985. The rebrand reflects the company's focus on their Winnebago and Sunliner product which has been the largest growth sector for the company over the last three years. "Our rebrand reflects our commitment to our highly successful product range from Australia – Winnebago and Sunliner" says Neil Whithear. "These products not only offer stylish and innovative designs which are built to NZ's maximum width but they are built strong and robust for conditions much tougher than ours." Winnebago and Sunliner offer product ranging from 6.5 metres (The Winnebago Birdsville and Sunliner Holiday from \$137,000) up to 12 metres (Sunliner Diplomat and Winnebago Classic from \$420,000). Freedom RV continues to work with BRV with the popular Swift and Sprite Caravan range and remains a service agent for BRV in the South Island.

## WELCOME

A big welcome to Nathan Brand. Nathan has proved a valuable asset to Freedom RV and we are delighted to welcome him on board. Nathan joined us in February to help during Gary's leave but he has proved such an asset to the company that we will be keeping him on board when Gary returns. Gary is doing extremely well and we hope to have him back on deck soon.
